Answer

MINISTER OF PETROLEUM & NATURAL GAS AND PANCHAYATI RAJ (SHRI MANI SHANKAR AIYAR)

(a) to (e) : IOCL's Paradip Haldia crude oil pipeline is under implementation at an estimated cost of Rs. 1178 crore. Environmental clearance and acquisition of Right of Way (ROW) in land have been completed. Coated mainline pipes production and laying are in progress. This pipeline would be connected to the existing Haldia-Barauni pipeline. The project is on schedule and is expected to be completed by March 2006.
